NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of preparation
The financial statements are general purpose financial statements which have been prepared in accordance with Australian Accounting Standards, other authoritative pronouncements of the Australian Accounting Standards Board (AASB) that apply for the reporting period, and the Industrial Relations Act 2016. For the purpose of preparing the general-purpose financial statements, The Queensland Cane Growers’ Association Union of Employers is a not-for-profit entity. No provision for income tax has been raised as the entity is exempt from income tax under section 50 of the Income Tax Assessment Act 1997. The Union has applied the Tier 1 reporting requirements as per the Australian Accounting Standard AASB 1053 Application of Tiers of Australian Accounting Standards.

The financial statements have been prepared in an accrual basis and in accordance with the historical cost and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets. The financial statements of the Queensland Cane Growers’ Association Union of Employers were authorised for issue by the executive committee 19th September 2018.

Members’ access to financial records
In accordance with section 787 (6) of the Industrial Relations Act 2016 the reporting unit draws attention to section 787 (1), (2), and (3) as information required to be given to members or registrar stating:

(1) A member of a reporting unit, or the registrar, may apply to the reporting unit for stated information, prescribed by the regulation, about the reporting unit to be made available to the person making the application.

(2) The application must:
   a. Be in writing; and
   b. State the period, which must be at least 14 days after the application is made, within which the information must be made available; and
   c. State the way in which the information must be made available.

(3) The reporting unit’s organisation must ensure the reporting unit complies with the application.

Significant accounting judgments and estimates
The following significant accountings policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

Financial Instruments

Initial recognition and measurement
Financial assets and financial liabilities are recognized when the group becomes a party to the contractual provisions to the instrument. For financial assets, this is equivalent to the date that the group commits itself to either purchase or sell the asset (i.e. trade date accounting is adopted). Financial instruments are initially measured at fair value plus transactions costs except where the instrument is classified “at fair value through profit or loss” in which case transaction costs are expensed to profit or loss immediately.

Classification
The Group classifies its financial assets in the following categories: financial assets at fair value through profit or loss, loan and receivables, held-to-maturity investments, and available-for-sale financial assets. The classification depends on the nature of the item and the purpose for which the instruments are held.
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2018

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Financial Instruments (continued)

Loans and Receivables
Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. Loans and receivables are subsequently measured at amortised cost using the effective interest method.

Financial Liabilities
Financial liabilities include trade payables, other creditors and loans from third parties including inter-company balances from or other amounts due to directly related entities. Non-derivative financial liabilities are subsequently measured at amortised cost, comprising original debt less principal payments and amortisation.

Financial liabilities are classified as current liabilities unless the group has an unconditional right to defer settlement of the liabilities for at least twelve months after the reporting period.

Other non-trading derivatives
Where a derivative financial instrument is not held for trading, and is not designated in a qualifying hedge relationship, it is measured at fair value and changes in value are recognized immediately in profit or loss.

Impairment of Assets
At the end of each reporting period, the entity reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset’s fair value less costs to sell and value in use, is compared to the asset’s carrying value. Any excess of the asset’s carrying value over its recoverable amount is expenses to the income statement.

No impairment has been recognized in respect of the current year.

Goods and Services Tax
Revenues, expenses and assets are recognized net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognized as part of the cost of acquisition of the asset or as part of an item of the expense. Receivable and payables in the statement of financial position are shown inclusive of GST.

Cash and cash equivalents
Cash and cash equivalents include cash on hand, deposits held at call with banks and other short-term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and subject to insignificant risk of changes in value and bank overdrafts.

Trade and other payables
Trade and other payables represent the liability outstanding at the end of the reporting period for goods and services received by association during the reporting period which remain unpaid. The balance is recognized as a current liability with the amounts normally paid within 30 days of recognition of the liability.
NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue
Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognizing revenue.
Sales revenue is recognized when control of the inventory item passes to the buyer.
Interest revenue is recognized using the effective interest rate method, which for floating rate financial assets is the rate inherent in the instrument.
All revenue is stated net of the amount of goods and services tax (GST).

Balances for the following items of revenue have not been incurred as the activities have not occurred during the reporting period:
(a) Entrance fees or membership subscriptions in respect to membership of the organisation;
(b) No capitation fees have been received from another reporting unit;
(c) No compulsory levies were raised from members or as appeals for voluntary contributions;
(d) No donations or grants, voluntary or otherwise;
(e) No other financial support was received from another reporting unit during the reporting period.

Expenses
The expenses below have not been incurred as the activities have not occurred during the reporting period:
(a) Expenses incurred as consideration for employers making payroll deductions of membership subscriptions, or
(b) Payment of capitation fees, or
(c) Payment of affiliation fees or periodic subscription to any political party, any federation, congress, council or group organisations, or any international body having an interest in industrial matters, or
(d) Payment of compulsory levies, or
(e) Payment of grants or donations, or
(f) Employee expenses related to holders of office of the reporting unit, or
(g) Employee expenses related to employees (other than holders of offices), or
(h) Fees and/or allowances paid to persons in respect of their attendances as representatives of the reporting unit at conferences or other meetings, or
(i) Expenses incurred in connection with holding meetings of members of the reporting unit and any conferences or meetings of council, committees, panels or other bodies for the holding of which the reporting unit was wholly or partly responsible, or
(j) Legal costs and other expenses related to:
   i. Litigation; and
   ii. Other legal matters, or
(k) Penalties imposed on the organization under the Act with respect to the conduct of the reporting unit.

Critical accounting estimates and judgement
The directors evaluate estimates and judgments incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the company.
NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

New Australian Accounting Standards

Adoption of New Australian Accounting Standard requirements
No accounting standard has been adopted earlier than the application date stated in the standard.

Future Australian Accounting Standard Requirements
New standards, amendments to standards or interpretations that were issued prior to the sign-off date and but will have no impact on the Union Financial Statements are:

(i) AASB 9: Financial Instruments and associates Amending Standards
(ii) AASB 15: Revenue from Contracts with Customers
(iii) AASB 16: Leases

Changes in accounting policies
As there are no new or amended accounting standards that impact the Queensland Cane Growers Association Union of Employers, nor that have caused the Union the change its accounting policy.

Total Trade and other payables  1,500  1,802

No liabilities have been raised for the following items because the activities did not occur:

(a) Payables relating to employer payroll deductions of membership subscriptions
(b) Payables in respect of legal costs and other expenses
(c) Employee provisions in respect of holders of offices
(d) Employee provisions in respect of other employees

Trade payables are unsecured and are usually paid within 30 days of recognition. The carrying amounts of the trade and other payables are considered to be the same as their fair values, due to their short-term nature.

NOTE 8: OTHER ACQUISITIONS OF ASSETS AND LIABILITIES

During the financial year the Queensland Cane Growers' Association Union of Employers has not acquired an asset or liability as a result of:

- A restructure of Branches of the organization
- A determine by the Registrar under section 755 of the Industrial Relations Act 2016 of an alternative reporting structure for the organization,
  (a) A revocation by the Registrar under subsection 759 of the Industrial Relations Act 2016 of a certificate issues to the organization under section 755
  (b) A business combination

NOTE 9: SEGMENT INFORMATION

The Queensland Cane Growers' Association Union of Employers operates solely in one reporting segment, being the provision of industrial services in Queensland.

NOTE 10: FINANCIAL RISK MANAGEMENT

The Queensland Cane Growers' Association Union of Employers is exposed to the following financial risks in respect to the financial instruments that it held at the end of the reporting period:

(a) Credit risk

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The Union do not have any material credit risk exposure to any single debtor or group of debtors under financial instruments entered into by the company.

(i) Cash and cash equivalents

Credit risk for cash deposits is managed by holding all cash deposits with major Australian Banks.

(ii) Trade receivables

Credit risk for receivables is managed by transacting with statutory authorities (ATO) and regularly monitoring any outstanding receivables for payment. No debt is granted to any customer at this time.

(b) Liquidity Risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities.

(i) Trade and other payables

Liquidity risk for payables is managed by ensuring suppliers are paid within the required credit terms.
NOTE 1: FINANCIAL ASSETS AND FINANCIAL LIABILITIES
The Queensland Cane Growers’ Association Union of Employers exposure to various risks associated with the financial instruments is disclosed in Note 10. The maximum exposure to credit risk at the end of the reporting period is the carrying amount of each class of financial assets mentioned below.

Independent Auditor’s Report to the Members of the Members of the Queensland Cane Growers’ Association Union of Employers

Opinion

We have audited the financial report of the Queensland Cane Growers’ Association Union of Employers (“the Entity”), which comprises the statement of financial position as at 30 June 2018, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes to the financial statements, including a summary of significant accounting policies, and other explanatory notes, the committee of management statement and operating report.

The audit report has been prepared based on the requirements of section 768 of the Industrial Relations Act 2016.

In our opinion the financial report the Queensland Cane Growers’ Association Union of Employers:

a. giving a true and fair view of the entity’s financial affairs as at 30 June 2018 and its income and expenditure and surplus or deficit for the year ended on that date; and

b. complies with Tier 1 reporting requirements under the Australian Accounting Standards, the Industrial Relations Act 2016 and the Reporting Guidelines for the purposes of section 765.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Entity in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board’s APES 110 Code of Ethics for Professional Accountants “the Code” that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Committee of Management for the Financial Report

Management is responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards, and for such internal control as management determines is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.
In preparing the financial report, management is responsible for assessing the Entity’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

The Committee of Management is responsible for overseeing the Entity’s financial reporting process.

**Auditor’s Responsibilities for the Audit of the Financial Report**

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity’s internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management’s use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity’s ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor’s report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor’s report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
Report on Other Regulatory Requirements

a) In our opinion, the Committee of Management’s use of the going concern basis of accounting in the preparation of the financial report is appropriate; and
b) I am an approved auditor defined by s766 of the Industrial Relations Act 2016 being a member of the Institute of Chartered Accountants in Australia & New Zealand who holds a current Public Practice Certificate.
