## **Milling, Distillery, Refinery and Maintenance - Supervisors - Full-time & part-time**

These rates are based on a 38 hour week. Rates for employees in sugar mills during the nominal crushing season and non-seasonal workers during the nominal slack season can be found in the [Pay and Conditions Tool](#).

<b>Classification</b>	<b>Hourly pay rate</b>
Supervisor/Trainer/Coordinator - Level I	The hourly rate for their classification level (determined by the competencies they hold and use as required on the job) or \$29.33 per hour if the employee is not classified based on competencies
Supervisor/Trainer/Coordinator - Level II	The hourly rate for their classification level (determined by the competencies they hold and use as required on the job) or \$31.80 per hour if the employee is not classified based on competencies
Supervisor/Trainer/Coordinator - Technical	Not less than 107% of the minimum hourly wage applicable to the employee's technical classification (providing that this does not result in double-counting supervisor, trainer or coordinator competencies that were part of the basis for the employee's technical classification)
